Walnutport, PA 18088

Dear Mr. Geary,

Thank you for your detailed reception report of radio station WBYN on Tuesday, May 24, 1994 from 6:47 to 7:01 a.m. and 2:30 to 3:16 p.m. We appreciate your kind words about our signal quality and the time you took to let us know.

WBYN transmits from a site in District Township, Berks County, using a Continental Type 802B Exciter and a Continental Type 816R-3C FM transmitter with an output of 19,500 watts of power through a Harris 2 bay directional FM antenna array mounted 1,173 feet above sea level, producing an effective radiated power of 50,000 watts at 500 feet above average terrain. WBYN broadcasts 24 hours per day in stereo.

Again, thank you for your fine reception report.

Sincerely,

Wilmer Borneman
Chief Engineer
